Itinerary is subject to change according to port authorisations and government regulations. This itinerary is given as an indication only. Based on tide times and weather conditions, the Captain and the Expedition Leader may need to change the order of certain ports of call to ensure guests have the best possible experience. Encounters with wildlife are possible but cannot be guaranteed. Your boarding quay is subject to change, depending on the decision of the local port authorities. PONANT will, of course, inform you of any changes. In order to welcome you aboard under optimal conditions of comfort and safety, you may not board the ship before the set boarding time. Your itinerary is subject to change: ports of call, shore visits and zodiac outings will be confirmed during the cruise by your Captain or your Expedition Leader. We invite you to exercise caution and not take items of value with you when you are away from the ship. We recommend that you consult the official travel advice of your Government for your destination and adapt your behaviour accordingly.
